CRISIS PROOF CAREER

SKILLS & CHARACTER

You are a product, stay desirable. Improve throughout your career. Strive to be **better** than yesterday, seek **learning** in everything you do, stay **current** with new technologies and **trends** in your industry.

1

VISIBILITY

Your product must remain visible, showcasing **substantive** skills. Be the **CEO of You, Inc.** Leverage. Social. Media. Now.

2

SELF-WORTH

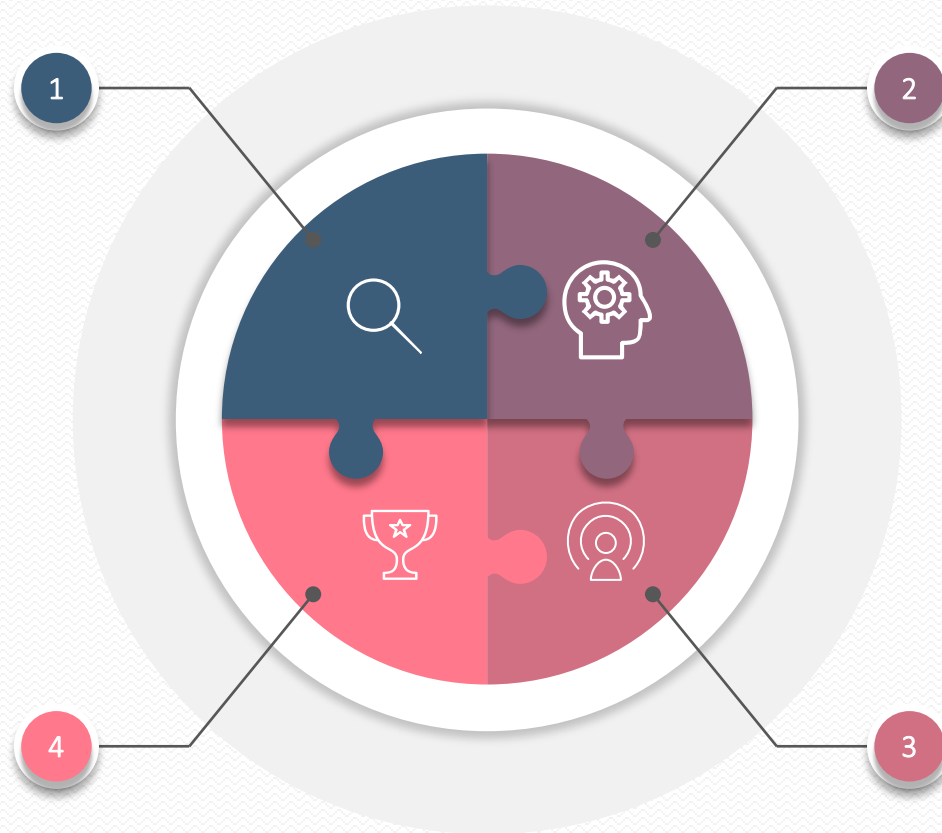

Keep your head high and a **positive outlook**. It is okay to have down days, but these are unprecedented times that require even greater **persistence** and **flexibility**. And if not you, who else?

4

CONNECTIVITY

It is not the title or number of connections. It is the **quality** and **authenticity** of your relations. Be interested, help first, offer value, ask (if at all) later. Network as if your life depended on it, always.
